**Frameworks and Libraries:** React, Bootstrap, Tailwind CSS

**Tools and Technologies:** Git, Node.js, Express.js, Mongo Atlas, Apollo Server, GraphQL

## PROJECTS

### Craft But Not Least

[github.com/rbkeyes/craft-but-not-least](#) | [craft-but-not-least.herokuapp.com/](#)

- Summary: a full-stack web application allowing users to buy, sell, or trade secondhand craft supplies.
- Role: project manager.
- Tools: HTML/CSS, Javascript, Express.js, express-sessions, bcrypt, Handlebars, mySQL.

### Blog About It

[github.com/rbkeyes/blog-about-it](#) | [blog-about-it.herokuapp.com/login](#)

- Summary: a simple CMS style blog site that allows users to sign up, write, edit, or delete their own posts, and read and comment on posts by other users.
- Role: solo developer.
- Tools: HTML/CSS, Javascript, Handlebars, Express.js, mySQL, sequelize, bcrypt.

### OutdoorsyISH

[github.com/danwillett/national-park-planner](#) | [danwillett.github.io/national-park-planner/](#)

- Summary: a client-side application using third-party APIs that allows users to search for National Parks by state, and available activities and amenities.
- Role: built search feature, collaborated on styling, debugging.
- Tools: HTML/CSS, Javascript, Foundation.

## EXPERIENCE

### Knitwear Designer and Technical Editor | freelance | Berkeley, CA | 2021-present

Conceive and create unique and original knitting and crochet designs and patterns that meet standards for size-inclusive design. Iterative design process involves testing yarn and stitch

options, crafting samples, pattern writing and grading. Review and edit knitting and crochet patterns by other designers for clarity, punctuation, sizing, and consistency. Mentor new designers in the process of writing and grading a pattern, and assist with creation of knitting charts, grading spreadsheets, and stylesheets.

Published Designs:

- **Alsia Crochet Pullover** | Pom Pom Quarter issue 38 | [ravelry.com/patterns/library/alsia](https://www.ravelry.com/patterns/library/alsia)
- **Cloudbow Dress and Pullover** | Pom Pom Quarter issue 40 | [ravelry.com/patterns/library/cloudbow](https://www.ravelry.com/patterns/library/cloudbow)

### **Registered Dietitian | DaVita Dialysis | 2008-2022**

|                                    |           |
|------------------------------------|-----------|
| Berkeley, CA                       | 2021-2022 |
| El Sobrante, CA                    | 2017-2021 |
| Daly City, CA                      | 2011-2017 |
| Commerce City, CO and Brighton, CO | 2009-2011 |
| Aurora, CO                         | 2008-2009 |

Managed the routine monitoring of patient laboratory results, provided nutrition education and counseling, and ensured appropriate follow-up while adhering to strict company, state, and federal requirements.

Key Accomplishments:

- Served as regional point dietitian, providing support to the dietitian leadership team by assisting in regional meeting planning, setup, and presenting of continuing educational materials, as well as providing additional support and training on an individual basis when needed.
- Trained new hires on renal nutrition basics, company policy and procedure, best practices, and regulatory requirements to ensure high level of patient care.
- Assisted facility supervisor in the successful completion of three separate clinic surveys by state regulatory agents by gathering required materials, reviewing existing documentation, speaking with surveyors, and taking inventory of supplies on hand.
- Participated in the development, execution, and completion of quality improvement plans for the purposes of ongoing quality improvement and to address areas for improvement identified by state regulatory surveys.
